All registry business for the above courts/tribunals will be conducted within the normal operating hours, i.e. from 8.45am to 1pm and from 2pm to 5.30pm (Monday to Friday, except public holidays). These will include:

- (a) search and inspection of cause books, case files, originating documents, judgments/orders etc, at the relevant registries;

- (c) collection of documents deposited in the letter boxes/drawers/folders at the Master Clerks' Office.

For distraint cases at the District Court, applicants with more than one application should continue to apply for an appointment from the District Court Registry.

The special ticketing and triage systems for court users will cease from May 25. Court users should go directly to the relevant registries or accounts offices for services.

Despite the cessation of the special ticketing and triage arrangements, the Judiciary will continue to put in place appropriate preventive measures to protect the health of all people who enter and remain in judiciary premises. These measures include requiring all people entering Judiciary premises to undergo body temperature checks and wear surgical masks. To maintain social distancing, capacity limits will remain in force for areas such as court registries and accounts offices to avoid crowding. Where appropriate, queuing and other crowd management arrangements will continue to be in place to regulate the people flow. Court users are advised to check the updated information on the Judiciary website and follow the advice of the Judiciary staff and security personnel when they attend for court business.
